

Head Teacher Mrs Moore and members of her School Council attended the Launch of **National Living Wage Week 2023-24** held at the conference room at the beautiful Oval@ Surrey Cricket Ground on November 6<sup>th</sup> 2023. St Antony's is known as the **"Face of the Living Wage Campaign"** as the school's staff, children and parents passionately support the initiative which has direct positive implications for the school's entire community.

"It means I get to see my Mum" Special to be at The Oval cricket ground this morning and hear the impact of being paid a real living wage on young people and families. Beautiful. Well done @StAntsE7 #LivingWageWeek

We are here at #KiaOval @surreycricket celebrating #LivingWageWeek with all those tackling the injustice of low pay in our communities!!  
#RealLivingWage 🙌🙌🙌

Mrs Moore, member of the National Steering Group, chaired the launch event before a large audience of key Government, Education and Business Leaders; masterfully inspiring all with her personal experience of the benefits of accrediting for all parties.

Head Girl Tashelle and Deputy Head Boy Tyriek captured the minds and hearts of the very influential audience with their powerful plea for more Local Authorities, Government Agencies, Schools and Businesses to accredit.

Amazing to have passionate students from St Antony's Catholic Primary school celebrating the real #LivingWage at @surreycricket this morning!

St Antony's was the first school to accredit as a Living Wage employer! 🥳🥳

# Champions of the Living Wage Campaign Continuing To Promote It's Merits Across The Nation, Encouraging Full Engagement And Accreditation At All Levels.
